Dear Jamie:

It was a great honor to have you speak at our first annual Wyoming Primary Care Association conference.

Your presentation on Organizational Process Improvement was well received. It is very encouraging to have individuals who are willing to contribute their knowledge and experiences toward the professional development of others. Your presentation was very informative and touched on many of the points that will help our Health Care centers succeed.

Thank you again for providing such a compelling and informative speech.

Best regards,

Patrick Monahan
